Communication While Abroad

Culture Shock

Why do they do that?

There's nothing to do here

I thought it would be different

Nobody understands

The people here are weird

People here are rude

The food is gross

I miss my mom

I want to go home

I'd have more fun with my friends back home

Reverse Culture Shock

I want to go back! Now!

I feel more at home there than here

Everything here at home is boring

I can't wait to go back!

Life there was more exciting

The food was better than anywhere else.

The people there were cooler

You just don't understand!
