

## Marine Biology Travel Fund

### Eligibility and Application Process

The Marine Biology Travel Award will provide financial awards to any eligible Junior or Senior student in his/her College at LSU with a minimum cumulative GPA of 3.0 and who meets or is currently enrolled in courses to meet course requirements for the Marine Biology in Alaska Program. **The submission deadline is Friday February 16, 2018.**

Applications for the award should include a 500 word essay about how the award will benefit the student's career, a one page letter of support from a professor who is familiar with the student and the student's vita and transcript of all attempted work at LSU (an unofficial transcript will suffice). All application materials should be delivered to the Biological Sciences Undergraduate office in the Life Science Building room 101 or sent to Ann Polito ([apolito@lsu.edu](mailto:apolito@lsu.edu)) secretary to Dr. Greg Pettis Associate Chair of Undergraduate Studies, Department of Biological Science. The Biological Science Awards Committee will evaluate and rank the applications, and the Departmental Chair will recommend the winning students to the Dean of the College of Science.
